## PERMISSION SLIP

### *Jubilee Students Featured in an Online Training Video*

Dear Jubilee Family,

We are happy to inform you that Jubilee Harlingen was selected to have students featured in a Statewide Online Course for Texas Teachers. In the one-hour Online Course, there will be two short segments featuring students learning in an effective class, and students playing around in an ineffective class. The videos are for training purposes, and the activities will be staged.

Your child will not be alone in the video, but with Jubilee classmates. No child's name will be given. The Online Course will be marketed to all educators throughout the State in an effort to help them grow and learn.

I understand that by signing this permission slip, I give Shadowing Success, LLC permission to use the two short videos that contains my child in this online training course entitled: **"Together We Grow: Time Management"**.
