Proposal

Jubilee Students Featured in an Online Training Video

This Proposal is made between:

- Shadowing Success, LLC (Cindy Sadler), 105 West Ebano Court, Harlingen TX 78550, and
- Jubilee Harlingen (Tanya Perez) 123 S Palm Ct Dr, Harlingen, TX 78552

Purpose

Shadowing Success, LLC will create an online training in the "Together We Grow Series" entitled, "Time Management". This proposal seeks to partner with Jubilee Harlingen for the following:

- Jubilee Harlingen will provide a 1-2 minute video with students being "off task" due to no adult supervision. The point being that teachers (or subs/aides) must be present in class at all times. Students should wear a Jubilee shirt and can throw paper airplanes, safely walk fast around the class, play with spinners or hacky-sacks, maybe even sleep. While adults must be present in the room, no adult should be viewed in the video.
- Jubilee Harlingen will also provide a 1-2 minute video with the same students, still wearing their Jubilee shirts, now on task. Students in this short video will be smiling, high-fiving, and participating in fun and engaging, teacher-lead, hands-on learning activities. This will demonstrate how effective teaching can create a fun learning environment. A teacher can be visible in this video.
- Shadowing Success, LLC will give recognition to Jubilee Harlingen with the featured students including recognition at the start and end of the video. This recognition includes Campus Name, Contact phone number, and address, and any other information requested by the campus administration.
- Shadowing Success, LLC will also advertise this course on Facebook featuring Jubilee Harlingen.
- Jubilee Harlingen has the opportunity to notify the media that their students have been selected to be featured in a Shadowing Success, LLC Online Learning Course that will be made available Statewide.
- Once complete, this Shadowing Success, LLC Online Course, a \$100 value for each participant, will be made available to any Jubilee Harlingen employee. Shadowing Success, LLC is an SBEC Certified Company so all hours will apply toward teacher re-certification.

Contract Period

A decision to accept or decline this proposal is due on or before Wednesday, October 26, 2022. If accepted, the two videos should be submitted no later than Friday, November 11, 2022. The Online Course will be made available on December 15, 2022.

Compensation

There is no monetary compensation in this proposal, but a win-win exchange of two videos, and one free online course offered to all Jubilee Harlingen Employees.

Other Terms:

Each student featured in the Online Course must obtain a signed parent / guardian permission slip to be featured in the online course. Once all parent / guardian permission slips are collected by the campus, the Campus Principal will sign off that all students are approved to participate. Permission Slips and Principal Approval Form are included along with a contract. The signed principal form must be submitted prior to completion of the online course.
